

VERSE OF THE MONTH

But my God shall supply all your need according to his riches in glory by Christ Jesus. Philippians 4:19

Mike's Corner

Hello everyone,

I hope everyone had a great Easter holiday despite the present pandemic that has befallen the world. We look forward to being able to open our thrift store soon and encourage you all to come visit with social distancing implemented of course. I am happy to report that we still have not had anyone here with the virus. On the other hand, our thrift store has been closed for weeks and the result is a staggering loss of income in the thousands. We are approaching the summer months here at the mission where funds tend to slack off and with us having to get more money than usual out of the bank on a weekly basis to keep operations afloat has placed us in a bit of a snag. We are happy to report that our food pantry is back up and distributing food bags to those who are in need, however it is on a limited scale. There are many individuals in our area who depend upon our help and with our pantry low on non-perishables we ask for your assistance in any way. We have a COVID-19 protocol in place and follow all guidelines given to us by our government officials. We do have a desperate need for cleaning supplies and toiletries. I want to offer some words of encouragement for our friends and supporters, we are strong, The Lord made us that way, by his will and with his help, we are going to survive this. It may get worse before it gets better. The Lord said "perilous times and trials will come, as Christian people, we should rise up to meet them"

*May God Bless Each of You

Program Director*

DIRECTOR'S NOTES

32nd Anniversary of ARM "Emergency May Day, May Day"

Dear Supporters and Friends of ARM,

Let me start by thanking all of you for giving extra and donating at this time. We know that you and your families are suffering in these trying times due to the COVID-19 pandemic and we pray for each one of you daily. We have lost all our cash flow from our thrift store as sheltering in place becomes the new normal. We once averaged between \$1,500.00 to \$2,000.00 a week and now that is no more. We used that money to support our staff and all our men, women, and children. We now must take money out of our bank account on a weekly basis to pay for these expenses. However, we do have some good news to share with you. We have not had anyone here test positive for the virus. I had some symptoms over a week ago, my temperature was going up and down and I was given a Z-Pac by my doctor. Me and my wife are sheltering in place and praying for you all. We continue to offer help to any man, woman, or child and have the largest public feeding program in our area. Most importantly, we share God's love and the only saving gospel of our Lord Jesus Christ, to **The Least, The Last, and The Lost.**

*Please look
inside the
newsletter for
some practical
ways that you
can help us to
feed the hungry.*

Now our "May Day" – our food prices are increasing. We are now entering our highest 6 months for utility bills. These are also the lowest months for donations. The national economic concerns in these times are hurting the poorest people, and they turn to us for help. This ministry receives NO help from the government . . . we depend on God's provision through you. We have details inside the newsletter about how you can help. Please keep us in your prayers.

I also want to thank Bro. Christopher Liberto for maintaining our website. You can read our books online and view some preaching

videos & music – please visit us at www.AlbanyRescueMission.org

May the Lord bless you and your family as we serve Him,

Bro. Larry
